# 2017 Bond Program

Welcome to the CMS 2017 Bond Program site. This site is an online resource for contractors, parents, and others who are interested in Charlotte-Mecklenburg Schools' renovation and new school construction bond projects.

This site is designed to keep you abreast of what's going on, who's doing it and when. We've geared several pages to the specific needs of contractors while others provide detailed information about the progress being made on the schools
